A Message from the Superintendent

I am honored and feel deeply privileged to have been selected to serve as Superintendent of Rockdale County Public Schools. As we embark upon the 2018-19 school year, we remain committed to our pursuit of world-class status as a district. At its core, this pursuit is about facilitating optimal student learning, achievement, and growth.

Robert Marzano's meta-analysis research makes clear that the two biggest drivers of student achievement are effective teachers and effective site and district-based leaders. In his book, *District Office Leadership that Works*, Marzano identifies instructional leadership support as an important trait for district office leaders, most prominently as demonstrated by the Superintendent of Schools.

Dr. Terry Oatts

As Superintendent, I will define the key aspects of my role in leading learning as articulating a consistent message that prioritizes the following: a common understanding of the Georgia Standards of Excellence (GSE) and formative instructional practices; the consistent delivery of effective standards-based instruction and instructional strategies; the maintenance of an appropriately balanced system of assessment; the integration of digital resources that extend and enhance students' learning experiences by achieving meaningful differentiation and personalization; and the implementation of a viable, multi-tiered system of student support that is responsive to student needs.

Of course, ensuring student and staff safety remains our highest priority. To that end, we will continue to take measures to improve and enhance school safety by reasonably balancing access and security. We have already made progress in this area, but we will not relent in our ongoing efforts to maximize student and staff safety.

Fostering greater community engagement and involvement remains a priority for the district. I commit to expanding our advisory structure to ensure that we obtain, maintain, and sustain positive coalitions across a diverse spectrum of interests to inform our decision-making and to enlist constructive partnerships within the community to support our district's school improvement and strategic planning efforts.

As Superintendent of Schools, I commit to working tirelessly in pursuit of world-class status for our district. This pursuit must be a joint one comprised of school and community stakeholders that are committed to ensuring that our students not only graduate at the highest rates, but also that they achieve college and career readiness through demonstrated content mastery, growth, work ethic, and additional employability skills. We are proud of the class of 2018, with nearly 1,100 graduates, who earned \$25 million in scholarship offers. This affirms our work and pursuit of world-class status. I am excited and proud to serve as Superintendent for the staff, students, and families of Rockdale County Public Schools!

Sincerely,

A handwritten signature in black ink that reads "Terry Oatts". The signature is written in a cursive, flowing style.

Dr. Terry O. Oatts
Superintendent, Rockdale County Public Schools

Rockdale County Board of Education

The Rockdale County Board of Education Continues to hold the highest designation of Exemplary Board by the Georgia School Boards Association for going beyond the minimum required training, setting annual goals, and its dedication to continuous improvement in our district. It is comprised of seven members elected at-large for four-year terms and is the official governing body of the school system. All Board meetings are open to the public. For the current meeting schedule and more information about the Board and its policies, please visit our website.

Alpha Academy

An alternative and complement to the traditional elementary/middle/high school program is the Alpha Academy. At Alpha Academy, students benefit from small class sizes that provide flexibility and the opportunity for individual growth. The primary goal of Alpha Academy is to help students become successful in school so they can return to their home school. Student assignment to Alpha Academy may be made by a placement committee or as the result of a disciplinary tribunal.

Athletic Recruitment Regulations

Recruitment of high school student athletes to attend public or private institutions of post-secondary education is limited to the student athlete's immediate family and coaches of public or private post-secondary schools. Accepting money or any other thing of value totaling more than \$250 annually from anyone other than a member of the immediate family or coach of the institution may jeopardize the future eligibility of the student athlete to participate in intercollegiate athletics.

Attendance Policy

Regular student attendance is a high priority in the Rockdale County Public Schools. Regular attendance at school is vitally important to each student since attendance affects a student's academic progress and the development of attitudes for his/her adult life. For the purposes of this policy, students in grades kindergarten through twelve are affected and the parents and students are the responsible parties. The Georgia compulsive attendance law requires all children between their sixth and sixteenth birthdays to attend public, private or home school. Any parent or guardian in violation shall be guilty of a misdemeanor, and upon conviction thereof, shall be subject to:

- A fine not less than \$25.00 and not greater than \$100.00,
- Imprisonment not to exceed 30 days,
- Community service,
- Or any combination of such penalties at the discretion of the court having jurisdiction
- Each subsequent absence shall constitute a separate offense.

Absences and tardies will be considered excused for the following reasons only:

1. Personal illness or when attendance would endanger their health or the health of others.
2. Illness or death in the immediate family.
3. Observance of a religious holiday.
4. Absences mandated by other governmental agencies such as court order or pre-induction physical for the armed services.
5. Conditions that render attendance impossible or hazardous to health or safety.
6. Registering to vote or voting for a period not to exceed one (1) day.
7. Absences for a student whose parent is in military service in the armed forces of the United States or the National Guard, and such parent has been called to duty for, or is on leave from, overseas deployment to a combat zone or combat supporting post. Such student shall be granted excused absences up to a maximum of five (5) school days per school year to visit with his or her parent prior to such parent's deployment or during such parent's leave.

Students shall be counted present when they are serving as a page in the Georgia General Assembly. Excuses will be accepted within three days of the student's return to school. Rockdale County Board of Education Policy JB, Student Attendance, can be viewed in its entirety by accessing the Board Policies link on the district website at www.rockdaleschools.org. For additional information and requirements, please refer to the Attendance Protocol on www.rockdaleschools.org.

Automated Telephone Notifications Service & The Telephone Consumer Protection Act (TCPA)

Rockdale County Public Schools and individual schools use an automated telephone notification program to contact students, parents, and community members for a variety of reasons, including emergency notifications. Under the TCPA, you have the right to opt-out of receiving non-emergency calls and messages from our automated telephone notification service. You may opt-out at any time by submitting an opt-out form to your school or following the prompts when you receive a message from the automated telephone notification service. If you opt-out of notification calls, you will still receive emergency calls.

Bus Transportation

Rockdale County Public Schools operates one of the safest and most efficient fleets in Georgia. Our school bus drivers are properly qualified and well trained. Although many changes have taken place in pupil transportation, the one basic principle that has not and cannot change is the concern for the safety of the transported student.

The following Bus Conduct Regulations have been developed to keep your children safe while riding on the buses by reducing the opportunity for danger or injury to students to the greatest extent possible.

Bus Conduct Regulations

1. The bus driver is in complete charge of the bus.
2. Drivers have authority to assign students specific seats on the bus.
3. Students may disembark buses only at school and at their regular stops. Any exception will require authorization of parent(s) or legal guardian(s), school administrator, and the transportation department.
4. No eating or drinking is allowed on the bus.

5. Radios, glass items, animals, skateboards, baseball bats, hockey sticks, or any other item of safety concern shall not be transported. Bagged athletic equipment may be transported but must be under the control of the bus driver.
6. For minor offenses, bus drivers will follow the established four-step minor offense process.
7. Problems of a serious nature must be reported promptly by the driver, in writing, to the principal of the school which the student attends.
8. The principal will take up the matter with the delinquent student and, if necessary, the parent(s) of the student.
9. If the problem cannot be resolved, the principal will notify the parent(s) that the student has forfeited the privilege to transportation by bus.
10. Forfeiture of the privilege to transportation by bus in no way changes the requirement for compulsory attendance. When the forfeiture of bus transportation privileges has occurred, it is the responsibility of the parent(s)/guardian(s) to transport the student to and from the school.
11. The student's privilege to transportation by bus may be restored by the principal but only after a satisfactory agreement has been established with the Transportation Operations Manager.

Specific Rules for Students While on the School Bus

1. When boarding a bus, students should go directly to their seat and be seated.
2. All students must conduct themselves in an orderly manner at all times.
3. Students are not to move around while the bus is in motion.
4. Students will not extend any part of their body out of the bus windows at any time.
5. Loud talking, throwing of objects, or any other act to distract the attention of the driver will not be allowed.
6. Tobacco or tobacco products are prohibited on the bus.
7. Writing, cutting, scratching, or defacing the interior or exterior of the bus is prohibited. Students responsible will pay for damages.
8. Students are to keep the bus clean. Paper or trash should not be left on the floor. The bus driver is responsible for cleanliness and ventilation of the bus.
9. Students cannot bring anything on the bus that would keep another student from having a place to sit or that would block the aisle or door of the bus.
10. Drivers are interested in student welfare, comfort, and safety.

Rockdale County Public Schools authorizes the use of video cameras on school buses and on district property to ensure the health, welfare, and safety of all persons and to safeguard district facilities and equipment.

Check-In and Check-Out Procedures

Students leaving and returning to class are distractions to the learning process. Therefore, we discourage students from leaving during the school day. We encourage parents to schedule appointments outside of school hours.

Check-In - Elementary school students are expected to be in their classes at 7:35 a.m., middle school students at 8:45 a.m., and high school students at 8:05 a.m. Students who arrive at school after the tardy bell rings must have a parent check him/her in at the front office. In order for tardiness to be excused, students must have a written excuse signed by a parent stating the reason for being late. Only reasons listed for excused absences can be counted as excused tardies.

Check-Out - Students who will be checking out during the day must bring a note to the main office before school starts stating the reason for check-out and listing the name and phone number of a parent or guardian who can be contacted. Parents may also come into the main office to check students out. Students are not permitted to check out of school during lunch to go off campus for lunch. Students must be present until the following times in order to be counted present for the day: Elementary - 10:50 a.m.; Middle - 12:20 p.m.; and High School - 11:30 a.m.

Child Abuse

If a school employee or volunteer has reasonable cause to suspect child abuse/neglect, sexual abuse, or molestation has occurred by a parent, employee, or other caretaker, the employee or volunteer must report it to the principal or designee in person or by phone immediately or face criminal penalties. If the designee suspects abuse, he or she is required to make an oral report to the Department of Family and Children's Service or law enforcement within 24 hours.

Clubs and Organizations

Rockdale County Public Schools has approved the following list of clubs and organizations for the 2018-19 school year. Please see pages 5 through 16 for a brief description of each. You may contact your school directly for details such as meeting times, costs associated with a club, sponsorship, and the names of the advisors. Please note: Clubs, organizations, and memberships vary at each school. Please reference the list provided here for offerings at your school. This list is subject to change.

Parent/Guardian Responsibility regarding School Sponsored Clubs and Organizations

In accordance with Georgia Code 20-2-705, parents/guardians may decline permission for their students to participate in a club or organization. Parents/guardians are encouraged to contact their respective schools to review the complete list of clubs/organizations offered at that site. Additional information relative to costs associated with individual clubs as well as club sponsorship is available at school sites. Parents/legal guardians may withhold permission for students to join or participate in a club or organization. If you do not want your child to participate in any clubs or organizations, please complete the opt-out form, "Withhold Permission to Participate in Clubs and Organizations" and return it to your school by August 17, 2018. This form is available on the district website (www.rockdaleschools.org) under the forms link or from your school's office.

Elementary School Club Descriptions

4-H Club enriches the curriculum in the areas of language arts and science. The 4-H curriculum is aligned with the language arts and science GPS standards. Membership is open to all 5th grade students. Club activities include learning to give an oral presentation, exploring different science topics, and contributing to the community through community service projects.

Ambassador Club makes new students feel welcome at school. Membership is open to one boy and one girl per classroom. Club activities include students serving as greeters during special school functions, providing tours to prospective new families, meeting and greeting new students assigned to their classrooms throughout the year, and giving tours and orientation sessions to new students to familiarize them with building and classroom rules and procedures.

Annual Spring Musical gives students an opportunity to perform a musical drama and to learn about drama. Membership is open to 3rd, 4th, and 5th graders. Club activities include learning and memorizing songs and lines, blocking, staging, choreography, set design, costume/make-up, and any other activity needed to perform and rehearse.

Art Club engages students in creative self-expression through art. Membership is open to 4th and 5th grade students. Club activities include keeping a sketchbook, creating set designs for plays, painting, sculpture, and fiber arts.

AVID Ambassadors will present at assemblies and on the morning bulletin. Additionally AVID leaders will help with recruiting new students to the program and serve as AVID ambassadors.

B2B (Boys 2 Books) Club is geared towards developing boys interest in books.

Bee TV provides opportunities to direct, produce, and anchor a school news program. The crew of BTV utilizes the news show to promote school spirit, celebrate individual and group accomplishments, and inform students of school events. Membership is open to 3rd - 5th graders whose applications are accepted based on good attendance, responsibility, teacher recommendations, and available slots.

Beginning Piano will provide beginning piano lessons by the music teacher to students who apply to join the program.

Cheer Club - Sims Scholars have the opportunity to learn various chants and cheers.

Chess Club Students learn to play and challenge each other in Chess tournaments. This club will increase logical reasoning skills.

Chorus/Music Club recognizes students interested in singing. Membership is open to 4th and 5th graders who audition. Club activities include performances within the school as well as performances outside the school at various community functions.

Clean & Beautiful Club brings awareness to keeping the earth beautiful, reducing air pollution and traffic congestion, supporting clean air programs, encouraging the use of alternative modes of transportation (mass transit, carpooling) and promoting the benefits of recycling.

Cooking Club Students will utilize math and science skills to create delicious snacks to eat and share.

Dance Club promotes self-confidence through creative design. Membership is open to 1st through 5th graders. Activities include learning songs and dances from given shows, learning to use stage props, and building self-esteem through solo performances.

Digital Media Club expands students' technical and artistic abilities. Membership is open to students who complete an application and meet the school's Extracurricular Academic Guidelines. Club activities include taking photos at school events and activities and participating in special projects to be submitted to the County/State Media Festival.

Drama Club can help develop members' abilities to respond to characters and themes in dramatic texts through reading and writing English. It enhances speaking and listening skills by encouraging members to play different roles in different dramatic contexts. Open to all grade levels.

DUDES is a mentoring program led by the men of C.J. Hicks for boys in grades four and five. It teaches leadership skills, conflict resolution, and positive character. Its overall goal is to provide the tools to grow into Dynamic Upright Dedicated Esteemed Students.

Duke TIP The Duke University Talent Identification Program (Duke TIP) identifies gifted children and provides resources to nurture the development of these exceptionally bright youngsters. Duke TIP provides students with the opportunity to learn more about their abilities. Qualifying fourth and fifth grade students may participate in Duke TIP's 4th/5th Grade Talent Search program and may take advantage of its optional above-level testing.

Explorer Clubs are created by teachers for grades 3-5 and focus on extending learning beyond regular curriculum. Clubs focus on math, ELA, computer and technology, fine arts, science, social studies, and P.E. Each quarter, students select a club from those offered.

Fire Patrol Club gives students ownership in the implementation of school safety procedures and rewards students' good citizenship and loyalty to the Barksdale school community. Membership is selected by the principal from students who have a school record of following the conduct and citizenship rules in the Barksdale Promise Book. Activities include a training exercise held in August to teach the Fire Drill procedures for evacuation of the school building. A follow-up conference is held between the principal and the team after every fire drill.

Fitness Club meets once a week for an hour after school to incorporate health and fitness into the lives of each member involved. The mission is to provide fun and effective workout options for all ages and interests to promote physical fitness for a lifetime.

Flag Corp rewards students with good citizenship and school loyalty with the opportunity to participate in school civic activities. Membership is open to students who have shown good attendance and behavior.

Flag Patrol Club rewards students with good citizenship and school loyalty with the opportunity to participate in school civic responsibilities. Membership is comprised of selected students who have shown good attendance and behavior by following the rules in the Barksdale Promise Book. Activities include a training exercise held in August to teach the procedures for raising and lowering the flag daily. A follow-up conference is held at the end of each quarter to review job procedures.

Flag Team chooses students with good citizenship to raise and lower the flags each day at the front of the school.

Foreign Language Club - Students learn about different languages and multiculturalism to become global students and prepare for learning in the 21st Century.

Gaming Club - Sims Scholars will learn how to create videogames.

Gardening Club - Sims Scholars will work on the school garden.

Girl Scouts meet twice a month at C.J. Hicks. The troop is Brownie level. Girls in the troop work on badges out of the Brownie Handbook by completing various activities at troop meetings as well as activities on the weekends.

Girls and Boys Mentoring engages students in mentoring and volunteerism; provides opportunity to join PCE Student Leadership Academy.

Good News Club is sponsored by Child Evangelism Fellowship Inc. of Georgia. It is open to students in grades 3 through 5 regardless of religious background. Students learn respect for authority, moral values, character qualities, and biblical principles.

I.T. Crowd Club allows students to share their knowledge of technology with students and teachers. Students gain skills in cooperation, communication, and technology while assisting with incorporating 1:1 in the classroom. Students in the I.T. Crowd are chosen by application by the school's technology team. This club is open to students in grades 4-12 in all schools.

Intramurals Club/Intramural Program improves fitness by participating in physical education activities after school. Membership and meeting times vary by school. Activities may include running, volleyball, team handball, physical education games, and chess club.

Kids Beach Club Sponsored by First Baptist Church of Conyers, this club is open to 3rd - 5th graders regardless of religious affiliation or background. Students learn respect for authority, moral values, character qualities and Biblical principles.

Literary Lunch Bunch motivates struggling or reluctant readers to have rewarding experiences with literature. The goal is to provide positive reading experiences that will increase confidence and boost student achievement. Membership is open to 3rd - 5th graders.

Literature Circle is an enrichment program for 3rd - 5th graders who express a strong interest in reading/writing beyond the classroom.

MAPs (Mediator and Ambassador Program) is a leadership club for students in grades 4 - 5 that are referred by staff and apply to serve. Students assist as student helpers in lower grade classrooms and serve as greeters during special school functions.

Marathon in a Month Club promotes cardiovascular fitness. Students run Monday - Friday in October and November. Volunteers keep individual distance records. The goal is to run a total of 26.2 miles (distance of a marathon). Membership is open to 2nd - 5th graders.

Math 24/Math Team Club exposes students to advanced concepts of mathematics, deepening their understanding, enhancing problem-solving skills, and competing in math competition.

Media Center Helper Club teaches library skills and enables practice of skills by helping in the Media Center. Membership is open to 5th graders with teacher recommendation. Helpers are assigned one morning a week to check books in/out, and assist with finding materials.

Men of Tomorrow empowers boys in grades 3 - 5 through positive relationships while promoting excellence in mind (self-esteem and self worth), body (image and nutrition), and spirit (purpose in life).

Mileage Club promotes physical fitness and expands/develops running ability. Membership is open to 1st - 5th graders and kindergartners with parent participation. Held March - May.

Modern Band Club is an exploratory music club where students in grades 4 and 5 sing and play guitar, keyboard, bass guitar, drums, and other classroom instruments to recreate popular music and to create new music.

National Junior Beta Club was established for the purpose of recognizing outstanding academic achievement and promotes ideals of leadership and service. Membership is open to rising fifth graders who maintain a level of Honor Roll, Honor Roll with Distinction, or Principal's List, receive all satisfactory behavior markings, and are recommended by their teacher.

National Junior Honor Society Club was established for the purpose of recognizing students for demonstrating outstanding academic achievement, personal responsibility, and leadership qualities at BES. Membership is open to fourth and fifth grade students who achieve and maintain Rockdale County Public School's criteria for Principal's List for an entire school year and meet the recommendation specifications of the Faculty Council. Activities may include service projects for the school and/ or community each year.

News Crew Club hosts and produces a daily news show which promotes school spirit, celebrates individual and group accomplishments, and informs the students about school activities/events. Activities include producing a daily news show, which involves serving as a news anchor, host, or weather reporter; preparing scripts; and operating a computer or video and sound equipment.

Newspaper/Journalism Sims Scholars will produce a quarterly newsletter.

Reading Bowl Club members read at least four Georgia Book Award Nominees, review and discuss the books in preparation to compete for spots on the school Reading Bowl Team. Ten members will be selected to compete in the annual Rockdale County Reading Bowl.

Recycling Club allows students to learn about keeping the planet green and maintain recycling bins throughout the school.

Robotics/Rockbots – LEGO Club helps students learn engineering, computer programming, teamwork, problem solving, time management, presentation skills, and public speaking. Open to 4th and 5th graders. Activities include presentation research and an audio visual presentation. Students assemble and program an original robot to complete missions using problem solving techniques. Students develop team work, gain proficiency at public speaking, discuss the research topic, and develop robot programming abilities.

Rockdale Honor Chorus extends performance opportunities. Open to 5th graders who are chosen through auditions. Activities include performing in plays and assemblies, nursing homes, and Partner-In-Education sites.

Rubik Cubes Club will explore and use Rubik Cubes to develop critical thinking, math, and Mindset skills, using interactive lessons to present information in a new and exciting way.

Running/Wellness Club promotes healthy living and fitness through a morning running program. Open to students in grades 3 - 5. Participants run on the school track and monitor progress in both distance and time.

Running/Track Club - Sims Scholars will learn to sprint and run a 5K.

Safety Patrol Club develops leadership skills. Open to 4th - 5th graders. Activities include monitoring hallway and cafeteria conduct and outside car safety under strict adult supervision.

Scholar Council teaches the democratic method for making decisions that involve the entire school. Council members make decisions about school projects and listen to the ideas of their classmates, while remaining fair and respectful to all. Open to one representative and one alternate per homeroom as well as four 5th grade officer positions. Students must be elected to these positions by their classmates.

Activities include contributing ideas to school-wide spirit days and various service projects.

School Store Helper teaches retail skills and enables practice of those skills by helping in the school store. Open to 4th and 5th grade Student Council members. The HTE School Store is open mornings before school begins.

SciAPs Science Assistant Program is designed for 5th graders who are interested in learning more deeply about science concepts, inquiry and the use of tools of science. One goal is for students to learn how to teach others about science and be available to assist teachers with mini-lessons on proper usage of tools, such as triple beam balances and microscopes.

Science Club promotes greater interest in the wonders of science through discussing aspects of earth, physical, and life science, and sharing the information with the school. Activities include working with local businesses to place and maintain bird houses on campus, and helping to plant and maintain different types of trees. Membership may be limited to 4th and 5th graders.

Deliveries

We do not allow flowers or gifts to be delivered to students at school in order to avoid interruption of instructional time.

Discipline Code of Conduct

The Rockdale County Board of Education (Board) has the authority and reserves the right to develop and implement a behavior code for all students. Administrators in RCPS may develop and promulgate such rules and regulations as are necessary. These rules and regulations shall apply to the student from his/her arrival on school property until his/her departure from school property.

Additionally, the rules and regulations of the Discipline Code shall apply to students while on school owned property, including school buses, or property not owned by the school but used by the school with permission of the owner, while at school functions, or while under school supervision. The rules may also apply to students who are not on school property and who are not at a school function, activity, or event if a student engages in misconduct that could create a direct or potential danger or disruption to the general welfare and discipline of the school or other students.

Reasonable efforts will be made to use a behavior support process to avoid student disciplinary problems. These efforts will include, but may not be limited to, school counseling, Student Support Team (SST), referral to community agencies, Student Assistance Program (SAP), mentoring, and nurturing programs.

Parents/Guardians and students are advised that a student's disciplinary history will be taken into account when disciplinary action is required.

Within each school, Assistant Principals, classroom teachers, paraprofessionals, media specialists, or any other adult in a supervisory role over students have the responsibility to maintain order and enforce this Code. The Principal of the school has the ultimate responsibility and authority to oversee the application, interpretation, and enforcement of the Code according to policy and regulations.

Student Discipline Placement Protocol

Students who have been out of school due to incarceration or detention often need a period of transition before returning to their home school. A protocol has been established for determining whether a student returning from a period of incarceration or detention due to alleged or adjudicated criminal or delinquent conduct should be denied enrollment/re-enrollment or be placed in an alternative school program or returned to the student's home school. RCPS offers an alternative school program that affords these students an opportunity to rebuild their academic and social skills so that the transition to their home school will go smoothly. The primary considerations in making this determination are the educational needs of the returning student and the safety of other students and staff.

In many cases, the conduct at issue is very serious, ranging from property offenses to serious sexual violations or other violent acts. Students adjudicated for these offenses may be placed on a safety plan by the Department of Juvenile Justice (DJJ) or the Juvenile Court. These plans may impose certain restrictions on the returning student; for example, the student may not be allowed to be around children of a certain age or may have to be supervised by an adult at all times.

In some cases, these students have been expelled or suspended from RCPS or another school system or private school. And the term of suspension or expulsion has not yet been completed. This brings other questions into play, such as whether the student should be excluded altogether for the remainder of the expulsion or suspension or offered an alternative placement (O.C.G.A 20-2-751.2).

Before these students return to school, they will be referred to a case management meeting. In this meeting the Case Management Committee will gather and review all appropriate information, including any information that the student's parents may wish to provide, and make a placement determination. Parents may be present for this review and may provide input. Attorneys will not be allowed to attend.

The protocol described above may be used in other types of student placement situations as deemed appropriate by the Chief Officer for Safe Schools and Student Affairs. All placement determinations will be made on a case-by-case basis. Various factors including, but not limited to, age, length of incarceration, nature of charges, existing discipline order, potential safety concerns, disruption of education process, and present/prior discipline history may be used in making placement determination at all levels.

RCPS is authorized to refuse to readmit or enroll any student who has been suspended or expelled for being convicted of, being adjudicated to have committed, being indicted for, or having information on file for the commission of any felony or any delinquent act under Code Section 15-11-2 which would be a felony if committed by an adult. If refused readmission or enrollment, the student or the student's parent or legal guardian has the right to request a hearing pursuant to the procedures provided for in Code Section 20-2-754.

If a student receives services under IDEA or Section 504, the school assignment decision will be subject to a final review and approval by the student's individualized education program team or Section 504 team to ensure that the assigned school is able to implement the student's IEP or Section 504 plan.

Behavior Code

The Behavior Code for students enrolled in Rockdale County Public Schools is based on that part of the philosophy of this Board that each student has a right to expect to be able to learn in an environment free from distractions and duress of any sort. Students are expected to demonstrate respect for self and others, demonstrate courtesy to others, behave in a responsible manner, attend classes regularly, be prepared for classes, take seriously the course of study, dress appropriately, cooperate with school officials, respect other's property, and avoid violation of the student Code of Conduct. The Code, as presented on the following pages, lists the substantive rules and explains the potential disposition of rule violations.

The philosophy of the Rockdale County school system is that all students have the right to learn. In order for students to be able to accomplish this goal, each student must be in a safe and secure school climate. The requirements for maintaining an atmosphere that provides students with maximum opportunity for learning are presented in the Code.

The purposes of disciplinary action in our schools are to demonstrate to students how they must have ownership of the problem, to help the student prevent the problem from reoccurring, and to keep parents informed of misbehavior. The administration of discipline will be as fair and consistent as possible. Discipline will be administered in a progressive manner, when appropriate. The level of discipline imposed will be based on the severity of the misbehavior and consideration of student's disciplinary history. Parents/Guardians and students are advised that a student's disciplinary history will be taken into account when disciplinary action is required. The welfare of and respect for the individual student, as well as that of other students in the school, are of utmost importance in deciding proper courses of action.

The following discipline procedures are outlined to ensure that all students are aware of the actions that violate school rules and the consequences of such actions. It should be pointed out that this list is not all-inclusive. A student committing an act of misconduct not listed will be subject to the discretionary authority of the administrator.

Parent involvement is necessary for correcting behavioral problems. Disciplinary actions may include any or all of the consequences addressed in this Code. Any student who receives fifteen (15) or more cumulative days of suspension for disciplinary reasons or who is guilty of violation of Rule 27 of this Discipline Code of Conduct may be recommended to the Student Disciplinary Hearing Committee for possible long-term suspension or expulsion. Once a student has appeared before a Student Disciplinary Hearing Committee, the principal is authorized to request another hearing at any future time during the student's educational career in the school system.

A student who is suspended from school may not be on any Rockdale County school property during the suspension period without the permission of school authorities. A violation of this directive could result in a charge of trespass and additional disciplinary action.

This Discipline Code of Conduct applies to all students, PreK-12, enrolled in the Rockdale County Public Schools. The Discipline Code of Conduct shall not infringe on any right provided to students with Individualized Education Programs pursuant to the federal Individuals with Disabilities Education Act, Section 504 of the federal Rehabilitation Act of 1973, or the federal Americans with Disabilities Act of 1990, or any other federal and state policies and procedures. Copies of the Discipline Code shall be available in each school, in each classroom and on the district/school web site. The content of the Discipline Code of Conduct shall be explained to all students at the time of their enrollment in a manner deemed appropriate by the school administrator. Parents/Guardians and students are provided a form for signatures, acknowledging receipt and review of the Discipline Code of Conduct. Forms are provided by each school and can be found on the district website under the Parent section. As a school leader and a role model for other students, each student shall pledge the following:

- I shall conduct myself with propriety, dignity, morality, integrity, honesty, and consistency with the student code of conduct and all policies of the Rockdale County Board of Education;
- I shall not engage in any activity likely to bring reproach, disgrace, infamy, or public ridicule to myself, my school, or the school system; and,
- I shall adhere to this pledge at all times including when on campus, at school-related events, and off campus.

Parent/Guardian Responsibility - Informing Children of Criminal Penalty

In accordance with Georgia Code 20-2-735, parents/guardians are encouraged to inform their children on the consequences, including potential criminal penalties, of under-age sexual conduct and crimes for which a minor can be tried as an adult.

Student Reporting of Acts of Sexual Abuse or Sexual Misconduct

Any student (or parent or friend of a student) who has been the victim of an act of sexual abuse or sexual misconduct by a teacher, administrator or other school system employee is urged to make an oral report of the act to any teacher, counselor or administrator at his/her school.

Any teacher, counselor or administrator receiving a report of sexual abuse or sexual misconduct of a student by a teacher, administrator or other employee shall make an oral report of the incident immediately by telephone or otherwise to the school principal or principal's designee, and shall submit a written report of the incident to the school principal or principal's designee within 24 hours. If the principal is the person accused of the sexual abuse or sexual misconduct, the oral and written reports should be made to the superintendent or the superintendent's designee.

Any school principal or principal's designee receiving a report of sexual abuse as defined in O.C.G.A. 19-7-5 shall make an oral report immediately, but in no case later than 24 hours from the time there is reasonable cause to believe a child has been abused. The report should be made by telephone and followed by a written report in writing, if requested, to a child welfare agency providing protective services, as designated by the Department of Human Resources, or, in the absence of such agency, to an appropriate police authority or district attorney.

Reports of acts of sexual misconduct against a student by a teacher, administrator or other employee not covered by O.C.G.A. 19-7-5 or 20-2-1184 shall be investigated immediately by school or system personnel. If the investigation of the allegation of sexual misconduct indicates a reasonable cause to believe that the report of sexual misconduct is valid, the school principal or principal's designee shall make an immediate written report to the superintendent and the Professional Standards Commission Ethics Division.

Teacher Authority/Responsibility

Teachers have the authority to remove from class a student who repeatedly or substantially interferes with the teacher's ability to communicate effectively with the students in the class or with the ability of the student's classmates to learn. Local school administrators shall establish at each school at least one Placement Review Committee. For each committee established, the faculty shall choose two teachers to serve as members and one teacher to serve as an alternate member, and the principal shall choose one member of the professional staff of the school to serve as a member. The teacher withholding consent to readmit the student may not serve on the committee. The Placement Review Committee shall have the authority to:

1. Return the student to the teacher's class upon determining that such placement is the best alternative or the only available alternative; or
2. Refer the student to the principal or the principal's designee for appropriate action.

Teachers who have knowledge that a student has exhibited behavior that repeatedly or substantially interferes with the teacher's ability to communicate effectively with the students in his or her class or with the ability of such student's classmates to learn, where such behavior is a violation of the Student Code of Conduct, are required to file a report with the principal. Such report shall not exceed one page in length and shall include a description of the behavior.

ESOL Program

The English to Speakers of Other Languages Program (ESOL) provides educational opportunities to students who have a primary language other than English. This program, beginning in kindergarten and continuing through 12th grade, provides each qualifying child the opportunity to develop English proficiency in order to be a successful student in RCPS.

Extracurricular Activities

Eligibility for Competitive Extracurricular Activities

Academic eligibility must be maintained for a student to participate in any interscholastic competitive event. This includes such activities as interscholastic athletics, cheerleading, literary events, and competitive band. Basic eligibility requirements include (for interscholastic athletics and cheerleading only):

1. Passing a minimum of five courses each semester.
2. Maintaining a 1.0 grade point average each semester.
3. Having a current physical for athletics and completing all required permission forms.

Students interested in participating who have concerns about eligibility should see the Athletic Director or their counselor.

State law prohibits discrimination based on gender in athletic programs of local school systems (Equity in Sports Act, O.C.G.A. §20-2-315). Students are hereby notified that the Rockdale County School System does not discriminate on the basis of gender in its athletic programs. The Sports Equity Coordinator for the school system is the Chief Officer for Safe Schools and Student Affairs, 1143 West Avenue, Conyers, Georgia 30012, 770-483-4713. Inquiries or complaints concerning sports equity in this school system may be submitted to the Sports Equity Coordinator.

Student Activities

Students are strongly encouraged to participate in school life outside the classroom. A variety of clubs, activities, and sports are available to assist in developing emotional and physical character. Details regarding student activities may be obtained from a school counselor, administrator, or faculty member.

Georgia Student Health Survey

Middle and high school students participate in the Georgia Student Health Survey administered by the Georgia Department of Education. The survey is designed to collect information about a variety of topics including alcohol, tobacco, and other drugs; school violence; school climate; and nutrition. The data collected will be used to identify critical areas of need for our Safe and Drug-Free Schools. The survey is completely anonymous and voluntary. Students have the right to opt out. If you would like your student to opt out of the survey, please visit www.rockdaleschools.org and complete GSHS Opt-Out Parent Letter.

Gifted Education

Rockdale County has been serving students identified as gifted for more than twenty years. During those years the state legislature has expanded the definition of “giftedness” on several occasions. Under the most recent definition adopted by the state, a gifted student is one who demonstrates a high degree of intellectual or creative ability, exhibits an exceptionally high degree of motivation, or excels in specific academic fields and who needs special instruction or services to achieve at levels commensurate with his or her abilities. Gifted services are designed to:

- Provide academically challenging opportunities.
- Allow for independent work.
- Encourage the development of “new” ideas and products.
- Integrate multiple disciplines.
- Encourage complex, abstract critical thinking.
- Increase self-understanding and self-evaluation.

The Process of Identifying Gifted Students Screening and Referral

Twice a year, the Gifted Support Team will screen referrals and determine whether a student needs to be given further evaluations for possible gifted services. A student may be referred for gifted services by a classroom teacher, parent, peer, administrator, or the student may refer himself or herself. Students may also be referred from scores on system-wide tests. The person conducting the referral completes screening forms used by the gifted program. These forms are available from the counselor’s office and should be completed by October 1 for the fall referral and March 1 for the spring referral to the gifted program. The chairperson of the Gifted Support Team or the counselor in the child’s school will provide information on the referral, evaluation, and placement processes.

Grading System

Kindergarten - The Georgia Kindergarten Inventory of Developing Skills (GKIDS) is a performance based assessment aligned to Kindergarten Georgia Standards of Excellence. GKIDS allows teachers to assess student performance during instruction, record student performance in an on-line database, and generate report cards. At the end of each 9 weeks, teachers evaluate student performance on the following scale:

Not Yet Demonstrated Emerging Progressing Meets the Standard Exceeds the Standard

Grades 1 and 2 - Teachers in these grades report progress to parents using a standards based grading system. Each 9 weeks, progress on specific standards in language arts, mathematics, science, and social studies is reported using the following scale:

1 = Little to no progress toward meeting the standard

2 = Progressing toward the standard

3 = Meeting the standard

4 = Exemplary performance on the standard

Grades 3-5, Middle School and High School - RCPS grades 3-12 report progress to parents in each subject. The following grading scale is used to report achievement in each course:

A = 90 – 100 B = 80 – 89 C = 75 – 79 D = 70 – 74 F = 69 and below

Graduation Requirements

The Board of Education defines as a major role of secondary schools the responsibility for providing the youth of Rockdale County with opportunities to acquire and to apply skills necessary for life. Such skills are defined as those which enable one to address effectively and efficiently the decisions and opportunities presented in a free, technological society.

Secondary school instructional delivery and support services shall reflect the high school graduation requirements and assist all students in developing their unique potential to function in a global society.

General Requirements (For complete graduation requirements, please refer to policy IHF and corresponding regulations and exhibits.)

- A. To be eligible for graduation from a Rockdale County high school, a student must meet requirements in the following:
1. Attendance.
 2. Carnegie units of credit.
 3. Core curriculum courses.
 4. Students who are enrolled in courses that require the End of Course (EOC) assessment, as identified by the Georgia Board of Education, shall participate in the EOC in order to earn credit for any of those courses.

By meeting the appropriate criteria, students may earn a High School Diploma. Students who complete the prescribed Carnegie unit requirements of the Rockdale County Magnet School for Science and Technology will earn a Magnet Diploma.

- B. Students who are in a special education program have the opportunity to receive a High School Diploma by meeting the appropriate requirements. Also, special education students can obtain a Special Education Diploma by completing requirements specified on their Individual Education Plan (IEP).
- C. Students who enroll from another state must meet the graduation requirements for the graduating class they enter.
- D. Students entering or returning to a Rockdale County high school from a non-accredited private school or home school must be enrolled by the end of the first six weeks of their senior year or must be enrolled for two consecutive semesters, which may include summer school, during their senior year in order to receive a diploma from a Rockdale County high school. Graduation is contingent upon meeting all Rockdale County graduation requirements. Notice of this requirement will be given to parents at the time of their decision to enroll their children in home school.
- E. The Individual Education Plan (IEP) will specify whether core courses taken as part of an IEP shall receive core Carnegie unit credit. Remedial unit credits must be included among the elective unit credits and may not count as meeting specific core curriculum course requirements. For purposes of this policy, developmental special education courses are not considered remedial.

Honor Graduate Requirements

Honor graduates will be identified on the basis of the grade point average resulting from the procedure outlined in Board policy IHD-R. Honor graduate status will be conferred on all graduates who meet the following requirements:

- Cum Laude (Honors): minimum 3.5 GPA through 3.69, unrounded
- Magna Cum Laude (High Honors): minimum 3.7 cumulative GPA, unrounded
- Summa Cum Laude (Highest Honors): overall GPA of at least 3.9, unrounded

Carnegie Units

Middle school students may obtain Carnegie unit credit in foreign language, math, science, and some CTAE courses. To receive credit for these courses, a middle school student must earn a grade of 70 percent or above for **both** semesters. If a student does not receive an 80 percent or above during both semesters, he or she is not eligible to earn a Carnegie unit credit for that course. Middle school students may not earn 1/2 Carnegie unit credits. In addition, parents/students must sign form J005.00, Middle School Carnegie Unit Application, in order for Carnegie unit credit to be posted on a student's transcript. If a student earns at least an 80 percent average for both first and second semesters and the parents/student elects to decline Carnegie unit credit, the student will be recommended to continue in the next course in the sequence during the following year. Students who do not successfully complete a Carnegie unit course with a minimum 70 percent grade for both first and second semesters will need to repeat the entire course in order to receive Carnegie unit credit.

Carnegie unit credit is granted only for courses that include concepts and skills based on the state-approved curriculum for grades 9-12. Carnegie unit credit will be awarded for successful completion of a course based on a minimum of 150 clock hours of instruction over the school year. One-half unit of credit will be granted for the successful completion of a semester course with a minimum of 75 clock hours of instruction. Credit for summer school shall be based on a minimum of 120 clock hours of instruction per unit.

Carnegie units of credit may be granted to students for out-of-school work as part of an approved Work-Based Learning (WBL) Program. The maximum number of units earned in this way is two per year. Any Work-Study Program for which such credit is granted must be part of the approved High School Program of Studies for Rockdale County and must meet guidelines of the Georgia Board of Education. Students who are high school juniors or seniors and meet the qualifications as specified in Policy IDCH and Policy JB may earn Carnegie unit credit for successful completion of college courses as part of an approved college dual enrollment program.

A course shall count only once for satisfying any Carnegie unit requirement for graduation. The same course cannot be used to satisfy a Carnegie unit requirement in more than one core area of study.

Carnegie units of credit for graduation shall be awarded to high school students participating in any dual enrollment program using the ratio delineated in Policy IED, Post-Secondary Options.

With the exception delineated in General Requirements, section D, a student shall meet the graduation requirements in effect at the time of enrollment in the ninth grade, regardless of the changes in requirements affecting subsequent classes.

End of Course Testing

Students enrolled in courses for which an EOC exists, as prescribed by the Georgia Board of Education, must participate in the EOC in order to obtain credit for those courses. The EOC will count for 20% of the final grade for the semester for which the EOC is given. Dual enrollment students in prescribed EOC courses must also participate in the EOC. All EOC courses must be passed to meet graduation requirements.

Subject Area Competency

This allows students to take an EOC exam to earn credit for an EOC course in lieu of seat time. Please refer to the details of testing out in RCPS Board policy IHF.

State and Local Graduation Requirements

The state requires 23 units for graduation. Rockdale County Public Schools (RCPS) requires our students to have 24 units. (RCPS requires four units of social studies while the state requires three.) Our goal is to assure that our students have the knowledge and skills necessary to pursue the world of work, higher education, or both.

CTAE/Fine Arts/Modern Language/Latin

Students who wish to receive industry certification in certain areas under Career/Technical/Agricultural Education (CTAE) programs must follow specific pathways. To be eligible for certification, a student must earn three units in the same pathway. Any student planning to attend a University System of Georgia college or university must take a minimum of two years of the same modern language or two years of Latin to meet admission requirements. CTAE, Fine Arts, Modern Language, and Latin are grouped in the same graduation area in the State Board Rule and on the Graduation Requirements chart on the following page. Students who are planning to complete a Career Technical Agricultural Education Pathway Program (recommended for all students) and attend college, will need to devote two of their four elective credits to foreign language or Latin courses to meet college/university entry requirements.

RCPS Diploma Options

Regular diploma, Magnet diploma, Special Education diploma

More Information

During the first few weeks of the 2018-19 school year, 9th graders will meet with counselors to review their high school course choices. They will receive a student workbook to take home to record their progress during high school. Parents should review this workbook and discuss the program of study with their students.

Graduation Specialists

Graduation specialists provide a comprehensive prevention/intervention process for students at risk of grade retention and/or dropping out of high school. There is a graduation specialist at each traditional high school.

Hall Pass

Students who are released from class must have a hall pass which includes time, destination, and teacher's signature.

Homeless Education Program

The McKinney-Vento Homeless Assistance Act defines "homeless children and youth" as "individuals who lack a fixed, regular, and adequate night-time residence." However, because the circumstances of homelessness vary with each family's or unaccompanied youth's situation, determining the extent to which the family or youth fits the definition must occur on a case-by-case basis. The RCPS Liaison for Homeless Children and Youth must gather and analyze information from the family or youth and make an appropriate determination of eligibility. For more information, please call the Liaison for Homeless Children and Youth at 770-483-4713.

HOPE Grant and Scholarship

Helping Outstanding Pupils Educationally (HOPE) is a program funded by the Georgia Lottery. Georgia residents enrolling in a technical certificate, diploma, or degree program at an eligible Georgia public or private college, university, or public technical college, may be eligible for HOPE funding. Recipients may be required to demonstrate academic achievement. New academic requirements for the scholarship are included in the HOPE legislation which will impact students graduating from high school on or after May 1, 2015. These changes and more information can be found at www.gacollege411.org or by calling 1-800-505-4732.

Hospital/Homebound

Hospital/Homebound instruction is a teaching service provided for students who are expected to be absent from school for ten days or longer due to illness. These students must be enrolled in RCPS and will remain enrolled while receiving hospital/homebound instruction. This is not designed to serve students with communicable disease and/or uncomplicated cases of pregnancy.

Internet Acceptable Use and Safety

Each employee, parent, and student of Rockdale County Public School's (RCPS) information system is expected to be familiar with and follow the expectations and requirements of the Acceptable Use Policy (AUP). The purpose of the AUP is to ensure that individuals are aware of their responsibilities regarding the Internet and related technology and equipment. This AUP also helps ensure the safety and privacy of current and former employees and students.

RCPS is committed to complying with applicable information security requirements and relevant information security standards and protocols. These requirements include, but are not limited to the following:

- The Family Educational Rights and Privacy Act (FERPA)
- Children's Internet Protection Act (CIPA)
- Individuals with Disabilities Education Act (IDEA)
- Children's Online Privacy Protection Act (COPPA)
- Health Insurance Portability and Accountability Act (HIPPA)

Users of RCPS's network are required to adhere to state and federal law as well as board policy. Any attempt to break

those laws or policies through the use of RCPS networks may result in discipline or litigation against the offender(s) by the proper authority. RCPS will provide any information necessary in order to fully cooperate with the appropriate authorities in the civil and/or criminal process.

A. Acceptable Use

RCPS provides computer, network, e-mail, and Internet access to individuals as part of the learning environment. The use of these resources is a privilege and not a right. While these systems have the power to deliver a vast number of resources to classrooms and enhance education, their effectiveness depends on the responsible and ethical use by every individual. Violation of this administrative rule will result in the loss of this privilege and may result in discipline or litigation in accordance with board policy and state and federal law.

I. Student Acceptable Use

Rockdale County Public Schools strongly believes in the educational value of electronic services and recognizes the potential to support curriculum and student learning by facilitating resource sharing, innovation, and communication.

Access to the Internet allows students to explore thousands of libraries, databases, museums, and other repositories of information. All Internet access from Rockdale County Schools shall be through the Rockdale County network system except as may be required by the State Department of Education for specified administrative use.

Families should be aware that some material accessible via the Internet may contain items that are inappropriate, inaccurate, or potentially offensive. While the purposes of the school are to use electronic resources for constructive educational goals, students may find ways to access other materials. The District believes that the benefits to students from electronic services in the form of information resources and opportunities for collaboration exceed the disadvantages. But, ultimately, parents and guardians of minors are responsible for setting and conveying the standards that their children should follow when using media and information sources. Therefore, the District supports and respects each family's right to deny electronic services to their child by simply not signing the Acceptable Use Agreement.

Authorized student use of information resources must be consistent with the educational purposes for which these resources have been provided. The use of RCPS electronic services is to assist students in completing educational activities and should be used in a manner that enhances educational experiences and complies with RCPS policies. All student users must adhere to the provisions of this Acceptable Use Policy as a condition for continued use of the RCPS network. This policy must be followed anytime there is a connection to the District's wired or wireless network via any electronic device. RCPS reserves the right to monitor any user's online activities. Users should have no expectation of privacy regarding their use of RCPS property, including devices, the network, Internet access, documents, files, chat rooms, learning management system, cloud storage, and e-mail.

A. Internet Safety

In compliance with the Children's Internet Protection Act ("CIPA") [Pub. L. No. 106-554 and 47 USC 254(h)], Rockdale County Public Schools is required to adopt and implement an Internet safety policy addressing: (a) access by minors to inappropriate material on the Internet; (b) the safety and security of minors when using cloud storage, e-mail, learning management system, chat rooms, and other forms of direct electronic communications; (c) unauthorized access, including so-called "hacking," and other unlawful activities by minors online; (d) unauthorized disclosure, use, and dissemination of personal information regarding minors; and e) measures restricting minors' access to materials harmful to them. Furthermore, each campus educates students on cyberbullying, appropriate online behavior, social networking, and other aspects of digital citizenship as required by CIPA.

- RCPS has implemented filtering and/or blocking software to restrict access to Internet sites containing pornography, obscene depictions, or other materials harmful to minors under 18 years of age, to the extent practicable, while using its network. However, no software is completely fail-safe, and there is still a risk a user may be exposed to a site or message containing such materials.
- The student's parent or guardian is responsible for supervising and monitoring all computer usage that occurs outside the RCPS network.

Students will not disclose personal information, including name, home address, telephone number, photos, and the like on the Internet or through software installed on RCPS electronic devices. Students are advised to never access, keep, or send anything that they would not want the general public to see.

- Students will not meet in person with anyone they have met only online via the Internet.
- The user is personally responsible for his or her actions in accessing and utilizing the school's computer resources.
- Students must abide by all laws, regulations, the Student Code of Conduct, Acceptable Use Policy, and other related RCPS security policies.
- Subject to staff supervision, technology protection measures may be disabled or, in the case of minors, minimized for bona fide research or other lawful purposes.

B. Acceptable Actions

RCPS students may use the network and electronic services provided by RCPS to pursue educational activities. Students will learn how Internet resources can provide valuable educational information. Students will be expected to follow accepted rules of digital citizenship. These rules include, but are not limited to, the following:

- Be courteous and respectful. Do not send or display offensive messages or pictures.
- Use appropriate language in any type of communication. No profane, abusive, or impolite language will be used to communicate nor should materials be accessed that are not in line with the rules of school behavior.
- Keep personal information such as logins, passwords, addresses, and phone numbers confidential.
- Use electronic services for educational purposes only.
- If you encounter materials that violate the rules of appropriate use, disconnect immediately and notify an adult.

C. Unacceptable Actions

Improper use of electronic services provided by RCPS is prohibited. Students should be prepared to be held accountable for their actions and for the loss of privileges if this Acceptable Use Policy is violated. In addition to the paragraph below labeled "Penalties for Improper Use," the RCPS Student Code of Conduct addresses the consequences for violations. Actions that constitute unacceptable use include, but are not limited to the following:

- Do not use a device to harm other people or their work.
- Do not damage or deface the device or the network in any way.
- Do not interfere with the operation of the network by installing software, shareware, or freeware, including the alteration of any controls designed to provide Internet safety or alteration of RCPS's default computer settings.
- Do not violate copyright laws or participate in any criminal activities.
- Do not view, send, or display offensive messages, pictures, or other inappropriate content.
- Do not share your password with another person or offer access to any person via your account.
- Do not reveal your personal address or phone numbers or those of other students, including completion of profile data.
- Do not waste limited resources such as disk space or printing capacity.
- Do not distribute advertisements, solicitations, commercial ventures, or political lobbying.
- Do not trespass in another's folders, work, or files.
- Do not pursue internal or external "hacking," use anonymous e-mail sites or proxies, access illegal file sharing networks, spread viruses, intentionally transmit spam, or attempt to access inappropriate material.
- Do not take digital photos or video without teacher or administrator permission for anything other than academic use.

II. Other Terms of Use

A. Penalties for Improper Use

The use of the network is a privilege, not a right, and may be revoked if abused. Misuse, damage, or vandalism of RCPS technology resources may also lead to disciplinary and/or legal action, including suspension, expulsion, or criminal prosecution by governmental authorities.

B. Expectation of Privacy

Individuals should not have an expectation of privacy in the use of the District's email, systems, or equipment. The District may, for a legitimate reason, perform the following:

- Obtain emails sent or received on District email.
- Monitor an individual's use on the District's systems.
- Confiscate and/or search District-owned software or equipment.

Disclaimer

RCPS makes no guarantee about the quality of services provided and is not responsible for any claims, losses, damages, costs, or other obligations arising from the use of its network. Any charge accrued to the user of the RCPS network are borne by the user. Statements by the user on the Internet are from the author's individual point of view and do not represent the views of RCPS, its employees, or members of the Board of Education. **Student and Parental/Guardian signatures on the Acceptable Use Agreement on the parent portal represent consent to conform to the Acceptable Use Policy IFBG.**

JROTC

The Leadership Education Program, known as JROTC, is a consolidated program available to qualified students in all of our high schools. It is designed to help the cadets develop into responsible and productive citizens. The curriculum is designed to enhance and complement the cadet's academic efforts in all classes. The development of character, self-discipline, and academic performance is the primary focus of the program.

Learning Reimagined

Rockdale County Public Schools has fully implemented its One-to-One device rollout, which aims to provide every student in grades 3-12 with a laptop computer or tablet device for classroom learning and assignments. The one-to-one device program is a key component of RCPS's Learning Reimagined initiative, which strives to transform teaching and learning throughout the district. Providing our students with access to digital devices empowers students to become thoughtful producers and evaluators of information. The devices will allow them to find, evaluate, and thoughtfully use information, to work with others to create collaborative products of learning, and to engage in authentic, real-world tasks. Most importantly, the students will develop the skills they need to become engaged, digitally responsible citizens ready to compete in today's technology-infused society.

Locker Inspections

Each student will be assigned a locker with a built-in lock to store personal items and school textbooks. Students should not share their locker combination with others. All school lockers are the property of the school and are loaned to students. Lockers are subject to inspection by school officials at any time. Students shall have no reasonable expectation of privacy in lockers.

Students are advised to keep money, jewelry, and other valuables on their persons, and avoid bringing large sums of cash or expensive personal items to school. Students attending PE class are provided with an individual locker in the dressing rooms. Students should purchase a lock to use during their PE class. The school cannot replace missing or stolen money or other valuables.

Lost and Found

Each school has a "lost and found" designated area for items. Due to limited space, lost and found items cannot be kept for a long time. Unclaimed items are turned over to charitable organizations in the community.

Make-Up Work Following Absences

When a student is absent from school, the student has the responsibility to initiate all make-up work on the first day he/she returns to school. If a student will miss three or more days, the parent or guardian should contact the school to make arrangements for collecting assignments. Work will not be collected for fewer than three absences. Teachers must be given a full school day to gather assignments. All work should be made up within seven school days.

Make-Up Work With More Than 10 Days of Absences

Students will be allowed to make up work for up to 10 days of excused/pre-arranged absences in each class period for each semester. Make-up work will not be issued for unexcused absences. If students are absent more than 10 days in a semester, make-up work will not be given unless a parent/guardian-initiated conference is conducted with the teacher to make arrangements for make-up work.

Media Center Services

Most books are checked out for a two-week period. ID cards must be presented to check out materials from the Media Center. Late books are fined \$.10 per day and overnight books are fined \$.50 per day. Lost materials are charged according to the actual replacement cost for the item plus a processing charge. Students' use of the Media Center computers will be in an appropriate manner as directed by staff members at all times.

Medication, Illness, and Screenings at School

All medication must be brought to the school by a parent or legal guardian and checked in through the school clinic or front office. Medications cannot be administered by school staff if they are not accompanied by a "Request for School Staff to Administer Medication" form (please request this form from the school clinic). All medications, prescription or nonprescription (OTC), must be sent in the original container. Medication will be administered only in accordance with the written instructions from the physician/pharmacy. The school is not obligated to provide medication of any kind to students. Parents/legal guardians are responsible for unused medication at the end of the school year. If a student becomes ill or is injured while at school, parents will be notified in order to obtain medical care. In case of serious illness or injury, Emergency Medical Services (911) will be called for immediate transport to the nearest hospital. A parent will also be asked to pick up their student if they have a temperature of 100° F or more. To return to school, the student must be fever free for 24 hours without medication. RCPS has a "no-nit" policy for head lice. See regulation JGCD on the district website for details. Elementary schools conduct mass hearing and vision screenings throughout the school year; parent permission is not required for mass school screenings. Permission is required for screening of individual students who are

being screened as part of a special education or RTI/Student Support Team (SST) evaluation or because of specific concerns noted by school staff. Screening for scoliosis is conducted annually during the middle school years, and Georgia mandates screening for a minimum of two grades between the age group of 10 through 15 years. Upon receipt of a parent/legal guardian scoliosis screening permission form, students in the designated grade will be screened by trained clinic staff in the fall of each school year.

Non-Discrimination Statement and Complaint Procedure

The Rockdale County Board of Education ("Board") desires that all students receive the benefit of an adequate education. With this view in mind, the Board prohibits unlawful discrimination against students because of race, color, national origin, sex, religion, age, disability, or other protected group status or activity (e.g. opposition to prohibited discrimination or participation in the statutory complaint process) in its programs and activities or employment in its programs or activities. In keeping with this commitment, the Board will not tolerate harassment, discrimination, or other unlawful treatment of its students. It is the policy of the Board to comply fully with the requirements of Title VI, Title IX, Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act and all accompanying regulations. As set forth herein, the Board designates the following employee of Rockdale County Public Schools ("District") to handle inquiries regarding the District's non-discrimination policies: Chief Officer for Safe Schools and Student Affairs, 954 N. Main Street, Conyers, Georgia 30012, 770-483-4713. The Student Non-Discrimination Policy and Complaint Procedure is set forth in its entirety in Board Policy JAA. You will find this policy on the rockdaleschools.org website or you may ask for a copy at any school or district office.

Open Campus

Open Campus alternative secondary program provides a flexible educational opportunity to students who may be unlikely, for a variety of reasons, to reach their full potential in a traditional high school structure. The program is designed for students who wish to accelerate the manner in which they complete the remaining required units for graduation. This program is available to students at least 16 years of age who are not currently serving long-term suspension or expulsion. The school operates on a mini-semester plan. The school year is divided into four 36-day terms. Students are required to follow a strict Attendance Policy and may be withdrawn after five absences. A standard RCPS high school curriculum is delivered by a qualified faculty with computer supported instruction. All Open Campus students participate in an intensive advisor/advisee mentor program. Students participating in the graduation ceremony will be included in the procession at their home schools. Open Campus applications are available through school counselors and graduation coaches.

Parent Academy

All parents are invited to attend the one-day Parent Academy events offered at Rockdale Career Academy. Parent Academy is a district-wide learning opportunity for adults in the Rockdale County community. Workshops include a variety of topics, such as the state-of-the-system by the superintendent, financial planning, gardening, resume writing, positive discipline, preparing for college, and more. All activities are FREE. For dates and times, visit: www.rockdaleschools.org.

Parent Liaisons

Parent liaisons serve as a link between schools and parents. Their key responsibilities include conducting workshops, sharing news on district initiatives and developing strategies for increasing parental involvement. The liaisons work closely with schools to develop community partnerships that enhance the learning environment and ensure federal compliance with each school's parent involvement policy.

Parent Portal – Infinite Campus

Infinite Campus provides students and guardians with real-time access to their information as it is entered by teachers, counselors, and staff. There is a convenient Campus Portal mobile app accessible from any Apple IOS and Android device. Details on setting up an account can be found in the parents section on the district website. You will need to obtain an activation code from your school.

Parent's Right to Know

In compliance with the requirements of the Every Student Succeeds Act (ESSA) Section 1112, you have the right to request information about your child's teachers' training and credentials. The following information may be requested:

- Whether the teacher met the Georgia Professional Standards Commission requirements for certification for the grade level and subject area in which the teacher provides instruction;
- Whether the teacher is teaching under an emergency or other provisional status through which Georgia qualifications or certification criteria have been waived;
- What undergraduate or graduate degrees the teacher holds, including graduate certificates and additional degrees, and major(s) or area(s) of concentration; and

- Whether your child is provided services by paraprofessionals, and if so, their qualifications.

If you wish to request information concerning your child's teacher's qualifications, please contact your school principal.

Post-Secondary Options

Advanced Placement (AP) Classes

Advanced Placement (AP) classes are high school courses based upon college level curriculum. They are taught at the high school during the regular school day. A national exam is given at the end of the course and graded by readers employed by the College Board. Many post-secondary institutions either award post-secondary credit for a successfully completed exam or allow a student to exempt certain courses. Some post-secondary institutions do not honor AP credit. The exam is optional, and the student is responsible for fees if the Georgia General Assembly does not continue to fund payment. Individual colleges determine guidelines for the awarding of credit.

Articulated Credit

Articulation is a partnership agreement between Georgia Piedmont Technical College or Gwinnett Technical College and the school system that provides an opportunity for students to earn college credit for courses that they take in high school that are the same as technical college courses. As an example through an articulation agreement a student enrolled in Introduction to Drafting in high school could earn college credit for Introduction to Drafting at Georgia Piedmont Technical College. To be eligible to receive articulated credit the course must be considered an articulated course and students must meet all college admission requirements for the college with which the course has been aligned: earn a numeric grade of 85 or better in the articulated high school course, enroll at the technical college within 18 months of high school graduation, and pass the technical college exemption exam with a score of 70 percent or above.

Dual Enrollment/Move on When Ready

Dual enrollment allows qualified high school students the option to begin working toward a college degree, while still pursuing a high school diploma. This program enables participants to fulfill high school graduation requirements by taking college courses that provide dual credit while simultaneously completing high school course requirements. Students who meet specific criteria may enroll in courses at participating colleges and take eligible courses at the college for high school Carnegie credit and college credit. For more information about Post-Secondary Options, please talk with your counselor.

Prevention and Intervention Specialists

Prevention and Intervention (P&I) Specialists work with students exhibiting chronic behavior issues. P&I Specialists assist with behavior plans, classroom management, prevention programs, and the transition of students to and from Alpha Academy and the juvenile justice system. The goal of P&I services is to help students avoid behavior that would result in suspension or expulsion. Keeping students in school with limited interruptions in instruction is a top priority.

Release of Information

General - Directory Information

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks.

Rockdale County Public Schools (RCPS) has designated the following information as directory information:

1. Student's name;
2. Student's participation in official school clubs and sports;
3. Weight and height of student if he/she is a member of an athletic team;
4. Awards received during the time enrolled in the Rockdale County Public Schools; and
5. Photographs, videotape film, or other likeness or image of the student.

Unless you, as a parent/guardian or eligible student, request otherwise, this information may be disclosed to the public upon request. You have the right to refuse to allow all or any part of the above information to be designated as directory information and to be disclosed to the public upon request. If you wish to exercise this right, you must notify the principal of the school at which the student is enrolled in writing no later than August 17, 2018, or within 15 calendar days of enrollment, whichever is later. A Release of Directory Information Opt-Out form is available on our website (www.rockdaleschools.org) under the forms link or from your school's office.

Military Recruitment

Federal law requires the Rockdale County Public Schools to provide the names, addresses, and phone numbers of students to military recruiters. Parents/guardians may ask in writing to remove all or part of the information required to be given to military recruiters about the student no later than August 17, 2018, or within 15 calendar days of enrollment, whichever is later. A Release of Information to Military Recruiters Opt-Out form is available on our web site (www.rockdaleschools.org) under the forms link or from your school's office.

Student Records: Annual Notice About Your Rights Concerning Student Records

State and federal law gives parents (and students over 18 years of age) certain rights concerning the student's school records. These rights are listed as follows.

1. You have a right to look at your school records. To look at your records you should give the principal a written request listing the records that you want to see. The principal must allow you to see the records within 45 days from receiving your request.
2. You have a right to request changes in your school records if you believe the records are inaccurate, misleading, or that they violate your privacy rights. If you want to change your records you should tell the principal in writing what you want changed and why you think it ought to be changed. If the principal agrees with you, your records will be changed. If the principal disagrees with you, you may request a hearing.
3. You have the right to let other people see your school records; however, the law allows some people to see your records without your consent. For example, a school official or a parent, or student serving on an official school committee may see your records if they need information in the records to do their job.
4. The school district has the legal duty without prior consent to send your school records, including disciplinary records, to another school in which you seek to enroll.
5. In accordance with applicable laws, federal and state agencies may require the school district to release student data and records to state and federal agencies without prior parental consent.
6. Both parents have a right to see the school records of their child unless a court order specifically denies the right to access school records or terminates parental rights.
7. Copies of school records are available for a copying charge of 10 cents per page.
8. You have the right to file a complaint with the U.S. Department of Education if you believe the school has violated any of your rights with respect to school records. If you have a complaint, send it in writing to:
Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, S.W., Washington, D.C. 20202

Student Surveys, Data Collection, and Parental Rights

Federal law gives parents rights before minor students are required to take part in certain surveys and before the collection, disclosure, or use of personal information collected from students for the purpose of marketing or selling. These rights will be stated in policies developed and adopted with the involvement of parents by the Rockdale County Board of Education. Upon adoption, these policies will be posted on the school system’s web site at www.rockdaleschools.org.

Report Cards

Reporting to Parents

Individual student progress shall be reported to parents or guardians by means of report cards generated at the end of each instructional period. Midway through the instructional period, parents or guardians shall be provided a progress report showing the progress of their child in each class in which the student is enrolled. Progress and semester report cards should be accessed through Infinite Campus parent portal.

Response to Intervention/Student Support Team

Each school has a Response to Intervention (RTI)/Student Support Team (SST) process based on the Georgia Department of Education guidelines to address specific academic and behavioral needs of students. Summative and or formative assessments are used as indicators to determine the need to initiate this process for a student or group of students. It is the process by which instructional programs and teaching interventions can be identified and documented to help students achieve in the regular classroom. RTI consists of four tiers: Tier 1 – standards-based instruction for all students; Tier 2 – needs based classroom interventions; Tier 3 – Student Support Team (SST) – individualized interventions; Tier 4 – specialized learning (special education, ESOL, gifted). Each school has a RTI/SST chairperson.

Rockdale Career Academy (RCA)

Rockdale Career Academy is a comprehensive career technical high school. Courses offered at RCA are aligned with Georgia’s Career, Technical, and Agricultural Education – or CTAE – which has historically provided students with the high quality education necessary to prepare for career opportunities in the Georgia economy. CTAE offers students a challenging curriculum and ensures that every student graduates from high school with the academic skills, hands-on experience in real work environments, and intensive career guidance required to succeed in college and/or employment.

Students specialize in a career pathway through high school and into post-secondary education or training. To obtain pathway completion, students must complete three courses (units) in the SAME pathway. Failure to complete three units in the same pathway, may adversely affect post-secondary choices for students planning to enter college or the work force. Please discuss the CTAE program areas and related pathways with your counselor.

Rockdale Virtual Campus

Rockdale Virtual Campus (RVC) offers students the opportunity to complete a variety of courses in an on-line

format via a home computer. The online experience also prepares students for the demands they will encounter in higher education, the workplace, and personal life-long learning. An online experience requires students to complete assignments, meet deadlines, learn appropriate online behavior, and effectively collaborate with others in an instructional setting while working independently. Students interested in learning more about RVC or taking a course through RVC should speak with their counselor. RVC summer session is tuition-based. Each student must provide his/her own device for summer school. NOTE: RVC courses may not be accepted by the NCAA eligibility Clearing House for DI and DII athletes.

Safety and Restraint General Parental Notification

If a student is physically restrained, an attempt shall be made to notify the parent on the day of, or within twenty-four hours after, physical restraint is used with the child as an emergency intervention to prevent immediate or imminent injury to the person or others, as permitted under state board rule 160-5-1.35. Such notification shall be made by phone, e-mail or other method which may include, but is not limited to, sending a note home with the child. The parent of such child, regardless of whether he or she received such notification, shall be sent a copy of the incident report no later than two business days after the emergency use of physical restraint.

School Closings

In the event of severe weather or other emergencies, schools may be closed or students may be dismissed early. Using the rapid telephone communication system, every family with a current phone number listed in our student information database will be called. Announcements will be made on most major Atlanta radio and television stations. Reports will be aired as early as possible in the morning. If no report is heard, schools will be in session. PLEASE DO NOT CALL THE SCHOOLS. Telephone lines must be kept open for emergencies.

School Counselors

The mission of the Rockdale County Public Schools Counseling Program is to provide comprehensive developmental services supporting the academic, career, personal/social growth of all students so they will make positive contributions to society, apply learning to life, and excel based on personal ability.

Students are invited to meet with their counselors in a confidential setting regarding all academic and personal concerns. Students may make appointments with counselors during the school day by placing a note in the counselor's mailbox or scheduling with the counseling secretary. Appointments may also be held before and after school. School counselors work to make students more available to learning by addressing three main areas: academic achievement, career development, and personal/social development. Counselors also provide support during times of personal crisis.

School Food Services/Meal Prices

The School Food and Nutrition program provides Rockdale County students with an opportunity to have low-cost, high-quality, nutritious meals each day. System personnel have made a commitment to providing adequate equipment, space, and staff. This commitment is the first step to ensuring quality food preparation, increasing student involvement in the program, and increasing nutritional education resources.

Breakfast programs are offered at all Rockdale County schools. Salads with fresh fruit and vegetables are offered as alternatives to the regular lunch in all schools. Our school system participates in the National School Lunch program and offers free or reduced-price meals to students who are eligible. Application forms for the program are available on the district website and in each school from your school nutrition manager.

MySchoolBucks.com is a prepayment system that allows you to make deposits into student meal accounts via the Internet at: www.MySchoolBucks.com.

Charge Policy

Students will be allowed to charge their meals. Procedures for handling charges will be determined by each school principal. Students and their parents are held accountable for money owed to the school cafeteria. When charges accumulate, this privilege may be suspended until payment has been made. An alternate meal will be provided to the student. Further, grade reports may be withheld, participation in graduation exercises not allowed, or other privileges denied until student charges are paid.

Maintaining a safe and orderly learning environment is a top priority for Rockdale County Public Schools. In keeping with

this philosophy, it is essential that we ensure our campuses and facilities are adequately supervised during normal business hours as well as when students are scheduled for classes. We have established guidelines for earliest arrival and latest departure times. Students who are not under the direct supervision of a teacher and/or administrator will not be allowed to stay on campuses before the early arrival time and after the late departure time. Parents are asked to adhere to the following:

Students who remain on campuses outside these hours of operation will be asked to vacate the premises and an investigation of residency will begin. Rockdale County Public Schools will make every effort to provide parents and students with the necessary guidance in order to avoid these school safety issues.

School Nurses/Clinic Aides

School Nurses/Clinic Aides assist students by administering and documenting medication use and assisting students who are ill or have medical needs while at school.

School Psychologists

School psychologists provide supportive intervention services to students, parents, and faculty including student evaluations, teacher and parent consultations, the implementation of behavioral strategies, and the delivery of crisis intervention and counseling services. Specifically, school psychologists provide assessment, consultation, behavioral support, counseling, crisis intervention, academic remediation, community outreach, and the development of interventions. School psychologists plan an integral role in the evaluation of special education students, but also routinely provide support services and intervention support to all students.

School Social Workers

School Social Workers are a critical link between the school, family, and the community. Some of the services they provide to students and their families include: encouraging regular school attendance, connecting families with community resources, individual and small group counseling, and providing support for parents and teachers. School social workers extend services to students in ways that build students' individual strengths as well as empower families to gain access to and effectively use formal and information community resources. School social workers provide assistance to those students who are experiencing difficulties in the school, home, or community. This may include emotional, health, and/or family problems, attendance, behavior problems, academic failure, underachievement and substance abuse.

Searches, Interrogations, and Surveillance

School authorities have the right and the responsibility to establish and enforce behavior codes to regulate student conduct on campus and at school activities. Likewise, school officials have the authority to conduct reasonable interrogations of students without prior parental approval to properly investigate student misconduct.

It is the desire of the Board of Education to maintain all its facilities in a safe condition and to assure the safety of all persons in its facilities and at all school activities. In an effort to assure such safety, the Board desires that no weapons, illegal drugs, alcohol, or contraband be brought onto school property. In keeping with this desire, the Board authorizes school authorities to conduct lawful searches of students and authorizes the use of surveillance cameras.

Student lockers, desks, and automobiles are subject to routine, unannounced examination for items forbidden by school rules or applicable laws, including, but not limited to, drugs, tobacco, alcohol or weapons. Such searches may be conducted by school officials or by use of trained canines provided by law enforcement agencies and under direction of a trained canine handler. Such searches and surveillance may also include all areas of the school buildings or properties accessible by students to include such areas as hallways, commons areas, locker rooms, cafeterias, gymnasiums, stadium areas, classrooms, parking lots, and other similar areas of school facilities, and school buses.

Section 504 - Students with Disabilities

Under Section 504, an eligible student is a student who has a physical or mental impairment that substantially limits a major life activity. Rockdale County School District must provide such accommodations as are necessary to ensure that an eligible student has equal access to school services, programs, and activities. Decisions regarding the identification, evaluation, or educational placement of students with disabilities are subject to procedural safeguards for parents or guardians including timely notice of the action, the right to examine relevant records, and to request an impartial hearing to challenge the district's decision prior to its implementation. For additional information or questions, contact the Director of Community & Student Support at 770-860-4273.

Special Education

Special education services are provided for students with disabilities who require a specially designed instructional program, based on eligibility. Services are available for students in grades Pre-K - 12. Special education services and supports are determined based on individual student needs. Information on the eligibility process can be found on the district website under Learning Support.

Entrance/Exit Procedures for Special Education

Entrance:

1. A student who is three years old may be enrolled in the Pre-School Program (READY) after meeting eligibility.
2. A student may receive services until the twenty-second (22) birthday, if the student continues to meet eligibility.

Exit: Students may exit from special education if they do not meet eligibility or have reached the maximum age.

Georgia Special Needs Scholarship (SB-10)

As the parent of a student who receives special education in Rockdale County Public Schools, you have the option to exercise public and private school choice. Under the Georgia Special Needs Scholarship, parents of students who receive special education may choose to transfer their child to another public or private school in Georgia. Transfer acceptance to other public schools within RCPS is based on service needs and capacity. RCPS accepts SB-10 transfer requests annually from May 15th - June 10th. Decisions are made by July 10th. The Georgia Department of Education web site <http://www.gadoe.org/External-Affairs-and-Policy/Policy/Pages/Special-Needs-Scholarship-Program.aspx> provides information to assist parents with the process.

Specialty and Choice Programs

RCPS has expanded personalized learning through multiple Specialty and Choice Programs throughout the district. These are designed to give students the opportunity to attend an academic program based on interest or talent, and are not restricted by attendance zones. There may be limited space available. Specialty and Choice Programs have an application process with an audition requirement for performing and visual arts. A lottery may be held for non-audition programs if there are more qualified applicants than available space. The application window is typically held during first semester for selection for the following school year. Please check the district website for exact dates and times.

Note: Rockdale Virtual Campus, Rockdale Career Academy, Rockdale Open Campus, and Rockdale Magnet School for Science and Technology are also academic options available to all students; however, they do not follow the same application / selection process as the Specialty and Choice Programs. Please see your school counselor for more information about all of the available options for students. RCPS currently has the following Specialty and Choice Programs with more being added each year.

- AVID Elementary (a college prep program) at Sims Elementary
- Dual Language Immersion Program at C. J. Hicks Elementary
- STEM (Science, Technology, Engineering, and Mathematics) focus at Honey Creek Elementary
- S.T.E.A.M. (Science, Technology, Engineering, Arts, and Mathematics) at Shoal Creek Elementary
- The Center for Technology (featuring Aerospace Engineering) at Conyers Middle School
- The Academy for Pre-Medical Sciences at Edwards Middle School
- STEM Academy for Environmental Studies at Memorial Middle School
- Performing and Visual Arts Academy at Davis Middle School
- Performing and Visual Arts Academy at Heritage High School
- The Institute of Advanced Technology at Rockdale County High School
- International Entertainment and Business Leadership Academy at Salem High School

Student Work

Any and all student work created for classwork, contests, clubs, or other purposes related to school may be used by the school and/or the district without permission or compensation for such use.

Summer School, Intercession, Credit Recovery

High school students who do not successfully complete coursework needed to move on to the next grade or fulfill graduation requirements will be given opportunities through summer school, intercession, or credit recovery to remediate this coursework for the needed credit. Students are encouraged to talk to their counselor about these opportunities and to discuss their eligibility to participate.

The NCAA Eligibility Center will not accept RCPS credit recovery courses for eligibility. NCAA guidelines only apply to student athletes who may choose to become Division I or II college athletes. For detailed information, please see your counselor or school principal.

Dual Enrollment /Move On When Ready (MOWR) is now available in the summer session. Please see your counselor and your college dual enrollment supervisor.

Substance Abuse

Prevention and Education

Where drugs are concerned, prevention is more effective than remediation. The school system considers "use" and "abuse" to be virtually synonymous when young people are the focus. The Director of Student Services coordinates a variety of drug/alcohol programs for our schools. Resources and school-based intervention programs are available for students who have drug- or alcohol-related offenses. School counselors may be contacted to obtain community resources. RCPS provides a continuum of ATOD instruction in grades 5 through 9: CHAMPS (Choosing Healthy Activities and Methods Promoting Safety) in 5th grade; GREAT (Gang Resistance Education and Training) in 6th grade; TGFD (Too Good for Drugs) in 7th and 8th grade; and ADAP (Alcohol Drug Awareness Program) in 9th grade.

CHAMPS and GREAT are sponsored by the Rockdale County Sheriff's Office and address issues including decision-making, life skills and gang-resistance education. TGFD is an evidence-based curriculum that helps students develop skills to address peer pressure, stress, and temptation. ADAP is a 4-hour course that most teens complete during their freshmen year of high school as part of their health or physical education classes. In Georgia, teens under the age of 18 are required by law show proof that they have completed ADAP in order to obtain their Class D driver's license.

Teenage and Adult Driver Responsibility Act (TAADRA)

This law significantly changes the way young motorists earn and maintain the privilege of driving by providing a controlled means for new drivers to gain experience and by reducing high-risk driving situations. Students are encouraged to become familiar with this law. Information may be found at www.gahighwaysafety.org.

The Teenage and Adult Driver Responsibility Act applies to all minors who are at least 15 years of age and under the age 18. When such a minor submits an application for a Georgia driver's license or instruction permit, the applicant must present proof that he or she satisfies one of the following conditions as specified in O.C.G.A. 40-5-22 (a.1):

1. Is enrolled in and not under expulsion from a public or private school;
2. Is enrolled in a home education program that satisfies the reporting requirements of all state laws governing such program;
3. Has received a high school diploma, a general educational development (GED) diploma, a special diploma, or a certificate of high school completion;
4. Has terminated his or her secondary education and is enrolled in a postsecondary school or is pursuing a general educational development (GED) diploma.

Local school districts are responsible for certifying that students enrolled in public schools within its district satisfy the requirements in (1) above. They will do this by using the Certificate of School Enrollment form which replaces the Certificate of Attendance.

Telephones/Cell Phones

Parents are asked not to call students during school hours unless an emergency exists. Students will not be called from class except in extreme emergencies. Non-emergency messages will be held until the end of the day and students will be called to the office to pick up messages. It is the responsibility of the student to listen carefully to afternoon announcements and pick up messages in the office. Students may NOT use the phone during class time or between classes as there is not enough time. Rules for cell phones are covered in the Behavior Code (Rule 1.6) in this Handbook.

Cell Phones During State Mandated Testing

Students are not permitted to use, or bring into the testing environment, and electronic device that could allow them to access, retain, or transmit information (For example, but not limited to: cell phone, smart phone/watch, PDA, electronic recording, camera, or playback device). Announcements will be made prior to testing that such devices are not allowed in the testing environment and that possession or improper use of such devices during testing may result in disciplinary action in accordance with the RCPS Code of Conduct and / or test invalidation.

Technology Fee

This school year, each student will be assessed a \$10 Technology Fee. This fee will be used to enhance instructional technology resources for students. All electronic devices that Rockdale County Public Schools issues to students are covered by the district in the event that they are damaged due to accident, whether on campus or off campus. All devices are also covered by theft insurance. This protects devices only in the event of theft... not if they are lost.

Test Preparation Information

Ample preparation information for college admission tests is available on the Internet for free. Also, there are test preparation materials available at each high school counseling office. The best way to prepare for any college admission test is to participate in rigorous coursework, take the PSAT 8/9 test in the 9th grade and the PSAT in the 10th and 11th grades. Using these tests as guides, students learn what to expect and how to prepare. Visit these web sites for more information: www.act.org (ACT), www.collegeboard.com (SAT), www.gacollege411.org.

Testing Dates for 2018-19 (Visit www.rockdaleschools.org, see calendars)

Textbooks and Library Books

Textbooks and library books are furnished without cost for student use, but remain the property of the Rockdale County school system. Students and their parents are held accountable for textbooks and library books that are lost or damaged, and the school system must be reimbursed for such books. The continued use of textbooks and/or materials in the school media center may be suspended until payment has been made by the responsible persons.

Visitors

A close relationship between home and school is an important part of each student's education. We invite parents to serve as volunteers, guest speakers, assistants for special projects, chaperones for school events, as well as to come to school to visit classes or have lunch with us. For security reasons, parents and other visitors to our school must check in at the office and receive a visitor's pass. We do not allow students to bring visitors from other schools without special permission of the principal.

Volunteers

Georgia law includes volunteers in the list of mandated reporters. O.C.G.A. 19-7-5 is designed for the protection of children whose health and welfare are adversely affected and further threatened by the conduct of those responsible for their care and protection. Rockdale County Public Schools protocol mandates school staff and volunteers to receive information about child abuse contact the principal or designee immediately to report suspected child abuse.
